Note: In November 2020, the Department of Finance implemented Phase One of the new Integrated Revenue Administration System for personal income tax withholding, realty transfer tax, gross receipts tax, and all other license taxes. During the implementation, the processing of returns and payments was temporarily paused to allow for entry into the new system in early December 2020. As a result, the State's accounting system does not reflect all revenues that would have traditionally been recorded in November 2020. For DEFAC purposes, FY 2021 year-to-date revenues have been adjusted to account for this change.
